SPECIAL NOTICES.

SPECIAL NOT physicians I had called in according to the ber, she then began to take the medicine you senther, and after one bottle she began to have a better appetite and to improve otherwise.—Her swellings bave gone down and she has grown quite hearty. I wish you would send one dozen bottles to me as soon as convenient. I will remit amount.

Truly yours.

J. M. RUSSELLI.

A Word to the Public. A word to the Public.

As the forms of disease for which we prescribe the Compound have their origin in the blood, let the sufferer remember that no merely outcard appliance will afford him permanent relief, because it cannot reach the Cause. The Compound coung into the blood—THE CITADEL OF THE DISEASE—drives it from its strong hold, and the victim is relieved.

AP This should rever be forgotten. A Sure Core Warranted.
